Two Regina Favs...

Food and Music! Dance to music from your Regina days through today and take a break to enjoy some of Monastero's legendary Italian cuisine, appetizers picked from their vast menu by alum Maria Monastero Surdo '83. Coffee and soft drinks will be provided. Cocktails will be available at a cash bar. And the end of every evening should include something sweet, so be sure to leave some room for Monastero's famed sweet table!

Memories

Didn't destroy your school uniform graduation day? The moths weren't interested in your album collection? Found some old school newspapers in your mom's attic? Get those fabulous items to Regina by September 15th for the Regina-through-the-ages video show!
