Two music students recognized for excellence

Two Regina Dominican seniors were recognized during the June 2 Senior Honors Convocation for their exceptional service to the Music Department.

Hilary Bouxsein, who plays the trombone, received the National School Orchestra Award for her "high degree of loyalty, cooperation, and conduct" as well as for her "outstanding growth as a musician and leader."

An honors student and Illinois State Scholar, Hilary has been active in music and drama throughout her four years at Regina Dominican. She has performed in numerous school plays, most recently as Oberon, King of the Fairies, in the 2005 Spring Play, *A Midsummer Night's Dream*; as Rev. Harper in the 2004 Spring Play, *Arsenic and Old Lace*; and as Aunt Em in the 2003 Fall Musical, *The Wizard of Oz*. As a member of the orchestra, she has also performed at the Fall Musicals, Christmas and Spring Concerts, and the Annual Spring Benefit. Also a member of the school's Chorale, Hilary earned a Superior Rating in the Illinois High School Association (IHSA) Music Contest, and received the Modern Music Masters (Tri-M) Achievement Award. Hilary will attend St. Olaf College this fall.

Kimberly Davis received the National School Choral Award for her three years of "dedication to high standards of performance, for loyalty and cooperation...and for outstanding contributions" to the success of the school's vocal music program. Her consistent efforts led to her recognition as the most improved singer for the 2004-2005 school year.

An honors student, Kimberly received Academic Honors from the Fine Arts Department. She has been an active member of the Chamber Choir, an auditioned choir that performs at the Christmas and Spring Concerts, the Annual Spring Benefit, and on other special occasions. Kimberly will attend Loras College in the fall.
